Dear John;

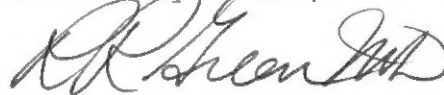

We are trying to write a history of Wasatch County Hospital. We know you were one of a pair of twins born there on February 17, 1970.

Please write us a note and tell who the doctor was, and we would like a picture of you and your twin of recent date.

We will copy and return it to you.

In your note, please include full names of your parents.

Sincerely Yours,

R. Raymond Green, M.D.
